Dear All

As you are aware that the Government of India is committed to promote gender equality and women empowerment across every sector and preventing all forms of violence against women that negatively impact gender equality and human dignity. The Sexual Harassment of Women at Workplace ((Prevention, Prohibition and Redressal) Act, 2013 upholds women's fundamental right to equality as guaranteed under Articles 14 to 15 of the Indian Constitution, the right to live with dignity under Article 21 and the right to practice any profession or to carry on any occupation, trade or business which includes right to a safe and secure working environment free from all forms of violence and harassment, as provided under Article 19 (1) (g) of the Constitution of India. In light of this, it is crucial that as a country we provide all women with a safe and secure work environment.

In light of the above, it has been mandated by AICTE to observe **25th November as 'International Day for the Elimination of Violence against Women'**.

To mark the same and as a mandatory requirement, **Internal Complaints Committee (ICC) in collaboration with Centre for Training and Development (CTD) of TIET** is organizing the following sessions as per the schedule below:

Date	Time	Participants
November 25, 2022 (Friday)	10:00 am -11:00 am	Training Workshop for ICC Members (CILP Seminar Hall)
	11:30 am - 12:30 pm	Non-Teaching Administrative Staff (Departments, Schools, Centres, Sections, Cells, Registry, Dean Offices, DD office) & Laboratory Staff (C- Hall)

November 25, 2022 (Friday)	02:00 pm -03:00 pm	Faculty and Staff Of Thapar Polytechnic, Patiala (C-Hall of TIET)
	03:30 pm - 04:30 pm	Janitors, Housekeeping, Mess Workers and Other Staff of All Hostels' (C- Hall)

These sessions will be conducted by **Ms. Aparna Jain, Founding Partner and Advocate, Knowledgentia Consultants, Noida.**

Note:

- (1) Please appreciate that these sessions are also a statutory requirement by certain accreditation agencies and education entities, and attendance is important from this perspective.
- (2) All unit heads are requested to ensure that the Administrative and Laboratory staff of their respective units attend these sessions mandatorily.

Dear All

As you are aware that the Government of India is committed to promote gender equality and women empowerment across every sector and preventing all forms of violence against women that negatively impact gender equality and human dignity. The Sexual Harassment of Women at Workplace ((Prevention, Prohibition and Redressal) Act, 2013 upholds women's fundamental right to equality as guaranteed under Articles 14 to 15 of the Indian Constitution, the right to live with dignity under Article 21 and the right to practice any profession or to carry on any occupation, trade or business which includes right to a safe and secure working environment free from all forms of violence and harassment, as provided under Article 19 (1) (g) of the Constitution of India. In light of this, it is crucial that as a country, we provide all women with a safe and secure work environment.

In light of the above, it has been mandated by AICTE to conduct 'Sensitization Workshops' for their employees to make them aware about the provisions of the Act and to observe 'Discrimination against Women Pakhwada from 25.11.2022 to 10.12.2022' in AICTE approved institutions.

We have already already successfully organized an Awareness Program cum- Workshop in this regard for Non-Teaching Administrative Staff/ Laboratory Staff/ Janitors and Mess Staff on 25th November, 2022 to observe 'International Day for the Elimination of Violence against Women'.

In continuation of same, and as a mandatory requirement, Internal Complaints Committee (ICC) in collaboration with Centre for Training and Development (CTD) of TIET is organizing an 'Awareness Session' with regards to 'Gender Sensitivity at Workplace' for Faculty and Research Staff as per the schedule below:

Date	Time	Participants
December 9 th , 2022 (Friday)	10:45 am -11:45 am	(Faculty of CSED + ECED)** (C- Hall)
	12:15 pm - 1:15 pm	(Faculty of All Other Engineering Departments)** (C- Hall)
December 9 th , 2022 (Friday)	02:00 pm -03:00 pm	(Faculty of All Schools)** (C-Hall)
	03:15 pm - 04:15 pm	(TA's, Project Staff including RA's, SRF, JRF, Any Other)** (C- Hall)

These sessions will be conducted by **Ms. Aparna Jain, Founding Partner and Advocate, Knowledgentia Consultants, New Delhi.**

**** Only in case of any exam duty clashes, the faculty as well as research staff can attend in any other session.**

Note:

- (1) Please appreciate that **these sessions are also a statutory requirement** by certain accreditation agencies and education entities, and **attendance is important** from this perspective.
- (2) All unit heads are requested to ensure that the Faculty and Research Staff of their respective units attend these sessions **mandatorily**.
- (3) Administrative Officer to please ensure necessary arrangements for the above sessions.

The sessions will be followed by snacks and a cup of tea.

Regards

Hi Sir,

As discussed, we have planned the first set of sessions on 'Gender Sensitivity' for our staff in June itself. In all there will be 04 modules @ 01 modules per quarter. Following is the draft for proposed mail to be sent from your desk to staff@thapar.edu.....

Hi,

Working in an organization requires collaboration with members of the other gender. It is this collaboration which leads to a healthy, stimulating and rewarding work environment. Understanding the other gender, and the sensitivities attached to it, also results in a more wholesome task accomplishment, due to the synergetic effects of gender strengths.

In light of the above, we are organizing a series of sessions on 'Gender Sensitivity' in each quarter of FY 2022-23. The first such session will be held as per the following schedule:

Platform: Zoom Video Communication

Zoom link: Meeting id: 955 5429 0850; Password: 000016; <https://tiet.zoom.us/j/95554290850?pwd=NDVmWkxTSUdNc2FaYVc0cXR3eINNFdz09>

Date	Time	Target Group
June 20, 2022 (Monday)	10:00 -11:00 am	Teaching Staff (Faculty)
	3:30 - 4:30 pm	Teaching Staff (Teaching Associates)
June 21, 2022 (Tuesday)	10:00 -11:00 am	Non-Teaching Staff (Administrative, covering departments, schools,centres, sections, registry, dean offices, dd office)
	3:30 - 4:30 pm	Non-Teaching Staff (Laboratory)

Do appreciate that these sessions are also a statutory requirement by certain accreditation agencies and education entities, and attendance is important from this perspective. You are requested to attend the session in the allocated time slot.

Hi,

Working in an organization requires collaboration with members of the other gender. It is this collaboration which leads to a healthy, stimulating and rewarding work environment. Understanding the other gender, and the sensitivities attached to it, also results in a more wholesome task accomplishment, due to the synergetic effects of gender strengths.

In light of the above, we are organizing a session on 'Gender Sensitivity' as per the schedule below. These sessions are of 40 minutes each for teaching staff, non-teaching staff and teaching associates. The session is being conducted in different time slots for respective groups to encourage more people to attend. You may attend the session in any of the two allocated slots.

Do appreciate that these sessions are also a statutory requirement by certain accreditation agencies and education entities, and attendance is important from this perspective.

Hi,

We, at Thapar Institute of Engineering & Technology, nurture a vision "to be recognized as a leader committed to Excellence in Higher Education, Research and Innovation that meets the aspirations of the global community." In order to align with this vision, we require all members of our institute to realize their potential and contribute as highly productive resources. Productivity nowadays is not just about domain competence and soft skills, but is also critically dependent on wielding technology to enhance work efficiency. And technology these days is driven predominantly by computer skills! During a conversation with some of you and your Heads, it was brought out that there was a need to be up-skilled on the operational tools of Excel that will enable you to be more competent at database management and analysis.

In light of the above and in our continuous efforts to enable you to resonate with the Institute's vision, our Centre for Training & Development has organized a Learning Program, for which your Head has nominated you. Details of the program are as under:

Attendance is mandatory and learning will be validated through a 'learning tracker' upon completion of the program. Successful candidates will be certified accordingly.

CTD has engaged the services of Maninder Singh Mann to conduct this training. An engineer from TIET Patiala and an MBA from IIM Indore, Maninder worked with top MNCs like PepsiCo and Cadbury in senior management roles. He now pursues his passion in education, and is currently the CEO of 'Kaizen Lessons', a company operating in the education space, and driven by technological tools. He is an established Trainer, and has conducted over more than 100 training programs for various organizations, most of them for making attendees technology savvy.
